## When You Buy Advertising

You want by all means, to buy advertising in mediums that the business man and the AD-VERTISER endorse as good. TEE-DEE WANTS are good advertising; good for a number of reasons, the most potent of which is that they produce excel tionally good results at the small cost of one cent per word.

#### Now, Mr. Advertiser,

this is one thing that you should consider in making your advertising campaign. Just ask yourself the question: Why is it so many people advertise in Tee-Dee Want Ads., and why do so many thousands read Tee-Dee Want Ads? It must be evident that unless they were active and conspicuous as producers of the results that advertisers seek, that they would not be used by advertisers or interesting to readers. It matters not what your business may be,
